A Pause . . . And Reflection

I appreciate the good response Jared and I received from the Sunday night Q & A conducted this past Sunday night. Jared did an excellent job covering the question assigned to him and it was very evident that people were listening for the biblical evidence on both matters. If you have a question, please submit it in the box on the table in the back of the auditorium.

Once again, we ask you to vote “No” on the referendum concerning the legalization of alcohol sales in Marshall County. For those who put up signs a couple of weeks ago, it is requested that you retrace your route and remove those signs as soon as possible (preferably Wednesday) following the vote—no matter the outcome. Bring them here to the church building and we make sure they get back to where they need to be stored.

I hope you have a great week. —Lance

Please Vote NO!

(on alcohol sales in Marshall County)

July 28th
