The USS New York

The USS New York is not a fishing or transport vessel, it is a full-fledged battleship. While the USS New York does all the normal things one would expect from a battleship, it is unique from all others. The steel in this ship was repurposed from the destroyed World Trade Centers towers. The one billion dollar US Navy assault vessel includes 7.5 tons of recycled steel from the September 11, 2001 attack. One woman who lost her fireman brother in the attack made the comment, "It's a transformation...from something really twisted and ugly" (NY Post).

It feels good to watch something destroyed take new meaning. It feels fulfilling to take the carnage of a tragedy and give it a renewed purpose. And this is exactly why it feels so wonderful to be a Christian. We all let sin into our lives at one point and it resulted in spiritual destruction (Romans 3:23; 6:23) Because of these sins, all that was left when we finally came to the Lord was our own carnage. We found ourselves in such a horrific spiritual state that we desperately needed hope and change. Thankfully, God provided the solution through His Son (Mark 16:15-16; Acts 2:38, Romans 6; 1 Peter 3:21). Once we've obeyed His commands, He was able to take us, twisted and ugly as we were, and shape us into something wonderful for His glory (2 Corinthians 3:18).

It's so awesome to watch people become Christians and watch as their lives are fixed and transformed into something great for the Lord. Let's keep in mind what a huge blessing it is to be a Christian and continue to allow the Lord to mold us (Romans 12:2; Isaiah 64:8).

Ten Most wanted Men

Author Unknown

1. The man who puts God's business above any business.
2. The man who brings his children to church rather than send them.
3. The man who is willing to be the right example to every boy he meets.
4. The man who thinks more of his Sunday school class than he does his Sunday sleep.
5. The man who measures his giving by what he has left rather than by the amount he gives.
6. The man who goes to church for Christ's sake rather than for himself or someone else.
7. The man who has a passion to help rather than to be helped.
8. The man who has a willing mind rather than a "brilliant" mind.
9. The man who can see his own faults before he see the faults of others.

Toddler Worship Training

We have a new opportunity for parents of young children beginning August 27th. It's called Toddler Worship Training and will be offered on Sunday mornings for children ages 18 months through Pre-K. The regular worship assembly will be simulcast into the training room through the audio/video system. You may bring your child into the training room (Classroom 9) before or anytime during the Sunday morning worship service. The purpose is to provide supervision for toddlers who have trouble sitting still or being quiet during worship, To allow the parents the opportunity to focus entirely on worship, and To teach toddlers worship skills including sitting still, being quiet and whispering, singing, bowing during prayer, and age appropriate listening skills. Additional activities will include Bible based coloring books, sticker books, etc. Also, we will be working to develop tools that encourage children to listen to the sermon. Positive reinforcement for good behavior, attentiveness and participation will be used. To help reduce distractions, we ask that all action toys, electronic devices and games not be brought into the training room. To help ensure the success of each child, parents are encouraged to practice regular quiet time sessions at home. Worksheets and activities that parents can use to practice will be given for you to take home. Each child is different and the amount of time it will take for each child to learn will be different. Once the child has reasonably mastered the skills, the parent will be asked to keep the child in the main auditorium either part time or full time. Thank you.
